J-02

Part Number Crossover Charts

The contents of this Catalog supersede previous catalogs with notable changes. For example, some product series are renamed. Due to these changes, part numbers of fittings, valves and tubing are accordingly updated.

The charts below give a list of formerly used P/Ns and new P/Ns adopted.

Part Number Crossover Charts	Technical Information	Tools and Installation Instructions	Subsea Valves	Sour Service Products	Valves	Line Filters	Quick Couplings	Tubing	Fittings
------------------------------	-----------------------	-------------------------------------	---------------	-----------------------	--------	--------------	-----------------	--------	----------
